A TALENTED oarsman and 2012 hopeful has been given a helping hand to achieve his dream.

Oakwood Park Grammar School A level student Morgan Hellen was presented with a £1,000 cheque from the Jeremy Willson Charitable Trust (JWCT) on Saturday.

The trust was established by the family of keen athlete and former Maidstone Grammar School pupil Jeremy Willson, who died of new variant CJD in

2006. Its aim is to help other young people who now share his passions in life.

The cheque was presented by Jeremy's younger brother, Tom.

Morgan is the fourth local athlete to be supported by the trust, which is also helping Maidstone athletes Martin Brockman, Luke Smallwood and Jacqui Gould.
